Department of Archæology,

Mysore, 18th August 1957

FROM

THE DIRECTOR OF ARCHÆOLOGY,
MYSORE.

To

The Secretary to Government of Mysore,
Forest and Agriculture Departments,
Public Offices, BANGALORE.I.

SIR,

I write to state that in connection with the normal activities of this Department it is necessary to purchase articles of furniture like almirahs for the safe preservation of the estampages of inscriptions and photographic materials viz., plates, films, paper and chemicals for use in the Photographic Section. The collection of books and periodicals of the Office Library has to be augmented by the acquisition of the latest publications dealing with Archaeology, Anthropology, History, Art and other allied subjects. Half-tone and Line blocks have also to be got prepared to illustrate the publications of the Department. Besides, the Local Antiquities Museum at Chitaldrug which is still under formation is badly in need of articles of furniture like almirahs, show cases, table, clock etc.

In the circumstances, I request you to be so good as to kindly obtain very early sanction of Government for incurring the expenditure noted against the several items noted hereunder. This expenditure will be met from the provision made in the current year's Budget of this Department under "Contingencies" and "Other charges".

SECY. TO GOVT. FOREST & AGRICULTURE 14 OCT 1953

To

The Secretary to the Government of Mysore,
Home, Forest and Agriculture Departments,
Public Offices, BANGALORE.I.

Subject: Regarding purchase of photographic materials furniture, etc., during 1953-54.

With reference to your letter No.E.10406 dated 30-9-1953 I am forwarding herewith a statement showing the items of purchases etc., made during the previous official year. Most of the articles proposed ~~with~~ to be purchased during the current year are required in connection with the day to day working of the Department and the expenditure to be incurred in respect of some of them e.g., postage service labels is of a recurring nature. Teakwood almirahs are required for storage and safe preservation of impressions of inscriptions, stock of publications and books and periodicals. Photographic materials viz., plates, paper, films, chemicals, etc., have to be purchased year after year and the amount now required under this head is for the purchase of the annual requirements. It is necessary to augment the collection of books in the library as and when up-to-date books of reference are published. The Chitaldrug Museum which is still under formation has to be equipped with a sufficient number of almirahs, show-cases, photo-frames, etc.

Under the circumstances, I request that early sanction of Government may kindly be obtained for incurring the expenditure required in this connection.

Yours faithfully,

K Narayana Iyengar
